02/2022 – 05/2022

Extended Web AppTech

- React JS Developer intern at Extended Web AppTech.
- Improved app functionality through innovative solutions.
- Collaborated with senior developers, refining the user experience.
- Identified and resolved issues, ensuring high-quality software delivery.

PROJECTS

Hubshift

React Js Developer

Technology: MERN Stack

Project Overview: Hubshift is a marketplace designed to support NDIS participants in Australia by connecting them with service providers, health carers, and support coordinators. It facilitates seamless communication and coordination, helping clients navigate their NDIS plans and access necessary services efficiently.

Role: React Js Developer

- We have developed and maintained UI components using React.js.
- We implemented Material-UI for consistent styling and user experience.
- Integrated APIs with React for dynamic content display.
- Managed application state using Redux for efficient data handling.
- It ensured responsive design and optimal performance.

TECHNICAL SKILLS

HTML5 | CSS3 | TypeScript | Node js | Mongo DB | RESTful APIs | Git | Material UI | MUI, | React Js | Redux | Websocket | JavaScript

EDUCATION

Bachelors in Computer Application (BCA)

Savitribai Phule Pune University

2018 – 2021

Pune, India
